**F**or parents or teachers or anyone interested in learning more about language development *Helping Children Who are Deaf; Family and community support for children who do not hear well*, by Sandy Niemann, Devorah Greenstien and Darlena David is a fantastic resource. This book is filled with illustrations and very easy to follow and comprehend. It takes a very caring approach to helping learn language. Rather than attempt to capture all the books good points we are just going to list the table of contents and if something catches your eye, come by and check-it-out (pun intended)!
