

WHERE TO GET MORE INFORMATION

Here is a selection of organizations, printed materials, and web-based resources that can provide more information about many of the topics in this book, and that work in many parts of the world. Resources are listed according to topic.

Other Hesperian resources have more detailed information than we were able to include in this book. Please see the last pages of this book for information on: *Where There Is No Doctor*; *A Book for Midwives*; *A Health Handbook for Women with Disabilities*; *A Community Guide to Environmental Health*; our reproductive health mobile applications; and other useful resources.

You can download many Hesperian materials for free and find information about various language editions on our web site: www.hesperian.org.
